Pizzas

Introducing Pala Romano sourdough pizza crust - created in Roma, this long oval flatbread is served on a wooden pala, or "paddle." Made with a high hydration, long-rising dough stretched lengthwise and baked in an electric oven for 10-12 minutes. After baking, topped with fresh ingredients as desired, and served. The resulting pizza boasts a thick crust with a crispy exterior that yields to a soft, fluffy interior with each perfect bite.

Choose your base - Classic thin crust / Pala Romano crust add on @150/-
